

IBA Speakers' Bureau

Fall 2013

The following Indiana Broadcasters have agreed to be available to speak to one or more classes and/or meet with student radio and TV station personnel within approximately a 50-mile radius of their station's location. Many are willing to spend an entire day with students, but, given their work schedules, a half day is more appropriate.

Those interested should email the speaker and provide at least 3 possible dates, times, and topics to be covered. Please allow time for the guest speaker to share info about current trends in broadcasting.

Speaker	Email Address	Market
Alan Riebe	alan.riebe@wane.tv	Ft. Wayne
